

DATE 25 April 2018

VENUE Doubletree by Hilton, Dundee

- OVERVIEW
- Looking at the future challenges for school leaders at all levels.
  - Drawing from his professional knowledge of current and future issues in relation to the implication of changes to the Education (Scotland) Act, the General Secretary will deliver a keynote presentation. The Field Officer will lead on sessions highlighting the potential legal implications for all leaders in managing issues surrounding the Equalities Act and Data Protection
  - Four practising school leaders will host breakout sessions to enable reflection and discussion tailored relevant to the specific levels of school leadership.

TARGET AUDIENCE This event is directly and equally relevant to Headteachers, Depute Headteachers, Principal Teachers/Curriculum Leaders, Business Managers/School Support Managers.
