15 JANUARY 2019 : WESTERWOOD HOTEL, CUMBERNAULD

DATE 15 January 2020 **VENUE** Westerwood Hotel, Cumbernauld

OVERVIEW

Hear first hand the implication of the recent Career Pathways Report for Scottish teachers. Teacher professionalism, teacher knowledge and teacher progression are woven into a teacher's identity and standing within society, therefore the Career Pathways Panel was committed to recommending pathways which would garner the support and confidence of the profession, stakeholders and the wider community. Aspiring and existing senior leaders will have the opportunity to take part in a workshop session with experienced senior leaders. Education Scotland's Leadership and Learning team will talk about the programmes which are currently on offer to support your chosen career pathway and there will be input on the Revised GTC Scotland Professional Standards and Code.
