

Electoral Commission Ready to Vote Campaign

Thank you for attending the meeting about the **ReadyToVote** campaign back in September last year and for contributing to the development of the toolkit. We have now published the final toolkit on our website here:

https://www.electoralcommission.org.uk/_data/assets/pdf_file/0014/220190/May-2017-Ready-to-vote-toolkit.pdf

We currently have around 75 schools signed up which is in line with the number we had at this time last year but we clearly need to do a big push to get us past the total of 280 who had signed up by 1 March last year. Please do promote the campaign via your networks to help us to do this. From Friday we will be publishing a list of schools have signed up on our website here:

<http://www.electoralcommission.org.uk/find-information-by-subject/electoral-registration/voter-registration-resources/may-2017-resources/readytovote-campaign>

We have e-mailed all teachers who have signed up to let them know about the toolkit and I have copied that text below in case it is useful for any of your communications.

If you have any questions then please get in touch with **Sarah Mackie**
