# We all need financial peace of mind.

The coronavirus pandemic has quickly changed the way we live our everyday lives and, while our main concern is safeguarding our own health and that of our loved ones and the wider community, many people are already feeling the financial impact of the situation.

In these testing times we would like to assure you that Lighthouse Financial Advice remain available as usual to provide **advice by phone**. **All members of SLS** are entitled to a complimentary, no obligation initial **telephone consultation** with a professional financial adviser from Lighthouse, which we will be happy to arrange at your convenience.

A chat with a professional financial adviser can help you:

- protect your family's income
- pass on your wealth to your loved ones in a tax-efficient way
- understand the potential impact of the current situation and plan for a comfortable retirement
- Our fully-trained financial advisers have the knowledge and expertise required to help you.

**BOOK YOUR TELEPHONE APPOINTMENT:** Simply email or call –

Lisa Barratt at [lisa.barratt@quilter.com](mailto:lisa.barratt@quilter.com) or on 01273 523707

Following the initial consultation, if you wish to appoint Lighthouse Financial Advice as your financial adviser we will explain and agree any charges with you before undertaking any work on your behalf.

The value of your investments can go down as well as up, so you could get back less than you invested. A pension is a long-term investment. The fund value may fluctuate and can go down. Your eventual income may depend upon the size of the fund at retirement, future interest rates and tax legislation.
