SCHOOL LEADERS SCOTLAND

NEW HORIZONS

Annual Conference 2022

Business Partner Exhibition Information & Booking Procedure

SLS School Leaders Scotland is a growing Association representing the interests of Senior Leaders in Scottish secondary schools. Our 900+ membership represents at least 85% of Scottish Schools in both public and private sectors. For both newly appointed senior management staff (Headteacher, Depute Headteacher, Principal Teacher/Faculty Head, Bursar and Business Manager) SLS provides advice, support and information.

SLS is affiliated to the Association of School and College Leaders (ASCL), which has over 20,500 secondary school leaders throughout the remainder of the UK

SLS members have expertise in school leadership and across Scottish Education. Our members are represented on major local and national education Bodies such as General Teaching Council for Scotland, Education Scotland and the Scottish Qualifications Authority.

Over the past two years we have continued to provide Professional Learning to our members and non members through Webinars. This has been extremely well received and appreciated, keeping our topics current, informative and useful during a tumultuous period. We will continue to deliver webinars for the foreseeable future, allowing delegates from the whole of Scotland to take part and allowing them to remain in school when the pressures are immense. When the time is right we are looking at adopting a hybrid method of delivery. Integrating Face to Face and Online seminars allowing our delegates the best of both worlds.

Over the last two years our **Annual Conference has also moved to Webinar delivery**. However, this year we are back! The set up is slightly different. It is still a two-day event but only one night. Hopefully this will attract both residential and day delegates. The in past it has been attended by around 150 members and non-members from both the local authority and independent sectors as well as guests from every major education partner organisation from across the UK.

Why Exhibit?

This year our Annual Conference will be 17 & 18 November at **The Old Course, St Andrews**. We would wish, at this stage in our planning, to ensure the most effective package and platform for our Business Partners at what has developed over recent years into a highly popular event.

You may be aware that the Old Course Hotel underwent major refurbishment since we were last there and a new area, adjacent to the Hall of Champions, is ideal to host our complete Exhibition Area.

We plan to accommodate 18 Exhibitors within the main exhibition area. Within this area 6 stands have been allocated to our Premier Business Partners. Stands will all be of equal size and must measure no more than 2m x 1.5m. All tea/coffee breaks for conference delegates and visitors will be taken in this area therefore ensuring maximum and ample footfall.

We are also offering a limited number of smaller stand areas within this area. These will only be suitable for a popup stand (**1m wide style**) along with a small table for leaflets. These would be ideal for those looking for a presence only at conference.

All Business Partners will be asked to provide a pop up stand to be positioned in the main walkway into the Conference Hall. Once I make another site visit I will send out a floor plan for you to select your stand location.
